ABOUT US

The Criminal Justice Academy is a four-year high school magnet program with an emphasis on law education. The academy staff is committed to providing students with an outstanding high school education in all academic areas. Students gain an understanding of the American legal system and explore the wide range of career-related opportunities. Graduates of the academy will be prepared to further their formal education in the college or university setting or to pursue immediate entry into a chosen career or technical school, or for employment upon graduation from high school.

areas of study

POLICE OPERATIONS, COURT TRIALS, CIVIL LAW, FORENSIC SCIENCE INVESTIGATIONS

Academy students take at least five credits in Criminal Justice courses. Required coursework offers students an overview in police operations, court and corrections, civil law and forensic science investigations. Additional

electives allow students to explore other avenues of law and law enforcement. Students have opportunities to meet professionals working in legal fields through participation in field trips, Annual Law Day, and shadowing. The

what is a magnet?

Magnet programs focus on a certain theme with specialized curriculum in areas such as arts, communication, science and technology, and gifted studies. Some programs have eligibility requirements. Students living anywhere in the county may apply.
