PSAT and FREE Khan Academy SAT Preparation...

PSAT:

- Your PSAT results from October, 2016, are available online through your College Board account
- Your guidance counselor has your College Board access code if you do not have it
- Results will show your strengths and areas for growth
- The PSAT you took has been redesigned to prepare you for the new SAT (new SAT started last spring)
- 17-18 juniors can register this spring to take the PSAT one last time in October 2017 for \$15
- 11th grade PSAT results are used for \$180,000,000 national scholarship opportunities

Khan Academy SATpractice.org, guidance counselors seminars will:

- Help you create your Khan Academy SATpractice.org prep account
- Log into College Board to access your PSAT results
- Link your PSAT results to SAT Khan Academy – personalized learning will occur
- You should do as much online SATpractice.org as possible this spring, summer, next fall

BCHS College Level Courses...

ADVANCED PLACEMENT (AP)

- HS Transcript only
- Standardized curriculum from College Board
- Open access to motivated students
- Only at HS
- No cost to student

DUAL ENROLLMENT (DE)

- HS & College Transcript
- Locally defined curriculum
- Minimum testing & GPA requirements
- At HS or SPC Campus
- No cost to student

Advanced Placement (AP) Program

- College level AP courses are taught on the BCHS campus by our high school teachers
- BCHS will offer up to 23 courses based on student interest and course registration requests
- AP teachers are trained/approved by the College Board, use college level materials, and have a course syllabus that is approved by the College Board
- AP exams are administered in May free of charge to all BCHS students during the school day
- AP exams are approximately three hours long and the schedule is set by the College Board
- AP Exam grades range from one to five. Most colleges and universities accept a score of three or higher for college credit

AP Capstone Program...

- AP Capstone was developed by the College Board, with guidance from some of the best universities in our country with a purpose of developing HS students who are ready to read, write, study, and research at the level that colleges and universities require
- Two year program – you “sign up” for it simply by selecting the courses
 - AP Seminar – Grade 10, 11, or 12
 - AP Research – Grade 11 or 12 (for students who took AP Seminar)
- Passing both exams = AP Capstone Seminar & Research Certificate
- Passing both exams + four other AP exams = AP Capstone Diploma

Dual Enrollment (DE) Program

- DE is a program that allows high school students to earn high school and college credits at the same time
- Students in grades 11 and 12 can take DE courses on the BCHS campus and/or SPC campus. Next year we will offer seven DE classes here at BCHS
- Students must have a 3.0 unweighted cumulative grade point average (GPA) with the exception of the College Experience class which requires a 2.5 GPA
- DE students must maintain a 2.0 college GPA and a 3.0 high school GPA in order to continue taking DE courses. Students need to earn grade of “C” or better to receive college credit and to remain eligible for college enrollment
- To determine if a student is academically ready to take DE classes, the PERT, ACT, or SAT needs to be taken
- BCHS will provide the PERT to qualifying 10th graders and pre-registered 11th graders on 1/25/17

The Advancement Via Individual Determination (AVID) Program

- The AVID Program is designed to mentor and tutor students taking one or more honors, DE, or AP courses
- Students are taught organizational and study skills to better assist and prepare them for success in a rigorous curriculum
- College students tutor AVID students
- Preparation for the transition to college
- In order to be enrolled in AVID, students must be enrolled in:
 - at least one honors or AP course in 9th grade
 - at least two honors or AP courses in 10th grade
 - at least one AP or DE course in 11th grade
 - at least two AP or DE courses in 12th grade
- If you are interested in AVID, please see either:
 - Dr. Isaac in room 1-064 (9th grade AVID teacher and AVID coordinator for our school)
 - Ms. Darbois in room 1-066 (9th grade AVID teacher)
 - Mr. Perkins in room 1-069 (10th grade AVID teacher)
 - Ms. Middlebrooks in room 4-223 (10th and 11th grade AVID teacher)
 - Ms. Goode in room 1-067 (11th and 12th grade AVID teacher)

Pinellas Technical College (PTC)

- PTC offers custom training for business and industry in the highly-technical and specialized areas of medical, automotive, electronics, construction, manufacturing, and a variety of service occupations
- Incoming juniors and seniors who meet eligibility requirements may take a bus from our campus to PTC St. Petersburg Campus in the morning, returning for lunch and afternoon classes on our campus
- The BCHS offers Materials and Processes Technology, taught by Mr. Taylor for 9th, 10th, and 11th graders. This elective course is designed to give our students experiences in various industry trade careers
- PTC courses available to BCHS students in 2017-2018:

AUTO COLLISION REPAIR (12 TH ONLY)

College and University Acceptance...

- Acceptance means...you apply and your “resume” determines whether or not you get accepted
- Colleges and universities look at your HS resume for:
 - What types of courses did he/she take; were they regular, honors, or AP/DE levels?
 - What kind of grades did he/she earn in those courses?
 - What is his/her unweighted and weighted cumulative GPA?
 - How did he/she score on the ACT and/or SAT (best combined scores)?
