

Because reading is one of the most important things you can do we are announcing the **Read 180 Universal Winter Break Reading Contest** for Pinellas County!

From December 17th through January 2nd we will track the students who read **eBooks and eReads at their Lexile level*** and complete quizzes with 70% or higher comprehension.

- The top 10 students in the district (combination of points earned and comprehension) will each win a \$25 Target gift card!
- The top 3 classes will each receive a pizza party!

Enjoy the holidays, sharpen your reading skills, and increase your chances to win a prize.

You may have a little fun after the holidays eating Pizza or shopping at Target!

**Suggested Lexile is 100L below to 50L above; students may choose to read texts at higher Lexile levels, but texts more than 100L below will not count toward their overall score for this contest.*
