

LHS Dress Code

We want our students to dress appropriately for school. The county has a very specific student dress code. In the ***Student Code of Conduct*** it states, “individual school may have additional dress requirements if recommended by administrators, faculty, and staff, and if approved by the SAC members.” BEFORE you purchase school clothes, please take a moment to review these items:

- Clothing must be the appropriate size—not too baggy—not too tight. Covering sagging pants or leggings with a long shirt is not acceptable.
- All shorts (male & female) must have belt loops and belts. ABSOLUTELY no elastic waist pants & shorts may be worn.
- Form fitting sweatpants, spandex, leggings or yoga pants will not be permitted. ABSOLUTELY no elastic waist pants & shorts may be worn.
- Shorts, skirts and dresses should come to the knee.
- See-through material, mesh fabrics, lace, holes, tears, or unfastened buttons must have proper undergarments. Lace or material that is see-through must have proper shirt underneath WITH sleeves (no camisoles).
- Rips or holes in garments must be no higher than the knee.
- Clothing considered as undergarments may not be worn as outer garments.
- Sleepwear/Pajamas are not to be worn to school (including slippers) at any time.
- Clothing may not contain any profane, obscene, vulgar language nor advertise gangs, smoking, drugs or alcohol. Please be aware of double meaning shirts too.
- Safe and appropriate footwear must be worn. Inappropriate footwear includes skates, skate shoes, bedroom slippers and shower shoes (old style flip-flops).
- ABSOLUTELY no hats, bandanas, scarves, skullcaps, etc. are permitted. Hoodie jackets may be worn, but the hood may not be on the head.
- Sunglasses may not be worn inside unless a doctor’s note is provided to the school.
