at

Florida State Fairgrounds

There will be approximately **250** universities, colleges and school representatives available to speak with you and your family.

There is no cost to sign up. Avoid the long lines. Registering ahead of time allows students more time to speak with college reps and avoid long lines on the day of the event.

By doing so, student will not need to fill out an inquiry card at the college tables.

We have College Conference Manuals in Mrs. Janeda's office (1-115).

Digital Editions are available at www.collegeguide.com.
