C) ***RIGHT NOW!!!*** Scholars can start repairing classes on campus in Grad Point ***immediately***. If your scholar is not currently enrolled in this program, please have him/her see their Guidance Counselor or Assistant Principal for an application. Grad Point meets on Tuesdays and Thursdays from 2:30- 4:30 pm in our computer lab directly behind the front office. All work done in Grad Point will transfer directly over to Gulf Coast Academy, streamlining the process and ensuring a day one start as Summer Bridge begins.

D) All rules and expectations of Pinellas County School Board are still in place, even throughout the summertime. Students must come properly dressed and ready to work, with school supplies as needed.

E) We understand that Summer Bridge is an opportunity to repair GPAs and recover credits. We understand that it is a continuation of school, and therefore the rules and expectations of the Pinellas County School Board are still in effect.

F) Transportation is NOT provided during Summer Bridge.
