# What is Title 1?

- Title I is the largest federal assistance program for our nation's schools.
- The goal of Title I is a higher quality of education for every child. Its purpose is to address the academic needs of students and to assist them in meeting their state's academic standards.
- The program serves millions of children in public elementary and secondary schools each year including eligible students in private schools.

# How Title 1 Works

- The federal government provides funding to states each year for the Title I program.
- The Florida Department of Education sends the money to our district, Pinellas County Schools.
- The school district identifies eligible schools and distributes the Title I funds to the school.
- Calvin Hunsinger School implements a school-wide program, all students benefit from the supplemental services provided by Title I. Every parent is a Title I parent.

# Title 1 Budget

Parents can assist in deciding how to use Title I funds...you have the right to be involved. All Title I schools must maintain documentation that demonstrates parent input into their budgets and plans.
