

Pinellas County Schools STEM Summer Camp Application

STEM Summer Camp With a Robotic Focus

The Pinellas County Schools STEM Academies are growing and would like to begin to offer STEM Summer Camps this year for elementary and middle school students. Elementary camps will utilize Lego WeDo robotics and middle school camps will utilize EV3 robotics.

This camp is open to any public Pinellas County School student who will be entering 4th through 8th grade during the upcoming 15/16 school year.

Laura Spence, Pinellas County Schools STEM Coordinator

---	--	---

How to enroll: There are only 20 seats at each site. Fill out the attached application. Send it to the address below with your check for \$120 made out to **Pinellas County Schools:**

Office of Career and Technical Education Attn: Deborah Gerhardt
Pinellas County Schools Administration Building 301 4th Street SW, Largo FL 33770

Submit your application to the address listed above **no later than 4:00pm Friday May 15, 2015**

Once your application is received you will be notified through email if your application was accepted or placed on a wait list. If a wait list develops, more classrooms at the identified school sites may open to accommodate need. If additional classrooms do not open, your application and check will be mailed back to you.

Application
