Istation Goes Home for the Holidays

November 17 – January 8

Home Usage Contest: Istation Home is a great way to extend your child's education beyond the school day. Your child's school has a chance to win Istation gear for each student and an Istation banner to proudly display. You can help by having your child log into Istation at home to work on the individualized reading instruction, books, and writing. For instructions on downloading Istation at home, go to <http://www.istation.com/Support/DownloadIstation>.

Parent Portal: Want to follow your child's progress? The Parent Portal provides parents with online access to student reports, support materials, and activities to reinforce learning at home. To log in, go to www.istation.com, type in your child's user name and password provided by his or her teacher, and then select your child's campus.

Istation Through UCF: For more information on Istation through UCF, go to <http://www.istation.com/UCF>.
