The screenshot shows the Curlew Creek Elementary library website. At the top left, it says "Curlew Creek Elementary". To the right is a search bar labeled "Search Resources". Below the search bar is a navigation menu with options: "All Resources" (highlighted in blue), "Groups" (red), "Categories" (purple), "eBooks" (white), "Databases" (white), and "Audiobooks" (white). The main content area is titled "All Resources" in a blue header. Below this, there is a book card for "Dinosaur boy" by Cory Putman Oakes. The book cover features a cartoon boy with a dinosaur tail and the title "DINOSAUR BOY". To the right of the cover, the text reads: "Dinosaur boy", "Oakes, Cory Putman", "Available: 15 / 15", and a short description: "Sawyer's grandpa was part stegosaurus, and as everyone knows the dinosaur gene skips a generation, it is isn't surprising that Sawyer begins sprouting spikes and a tail in fifth grade. He will have". To the right of the book card are four buttons: "Open Now" (green), "Add To Favorites" (black), "Checkout" (black), and "Cite!" (black).

## IF YOU ARE USING A MOBILE DEVICE SUCH AS AN IPAD, IPHONE OR KINDLE!

Please access the App Store for your mobile device to download the MackinVia app or Destiny Discover App. You will be prompted for your School for Mackinvia, or State and School for Destiny Discover.

MackinVia will prompt you to select either Chi Chi or Curlew Creek. You only need to do this the first time you open the App, it will remember the school after that. Once you have done that you can begin looking for the book you wish to read.

Destiny Discover will prompt you for your State and then the School. Again, you need only do this the first time and it will remember the school after that. You can then log into Destiny Discover and begin searching for books.

For Kindle users, use Destiny Quest instead of Destiny Discover.

Here is a link to a video that can help you with this process. **Please note:** Curlew Creek does not subscribe to Overdrive, so disregard that portion of the video.
