

Applying for Curtis Fundamental

Each year there is a countywide application for magnet, fundamental, and career academy programs. This application period is in January. The January application period is always for the next school year (as an example, the January 2016 application period is for the 16-17 school year).

Curtis will be holding tours during the months of December and January. See below for dates and times. You may call 727-738-6483 to sign up for one of the tour dates.

Please note that students entering Kindergarten must be 5 before September 1st. Also remember our wait lists only last for one year so an application must be submitted each year if your child does not receive a seat in our school.

All applications are done online through the pcsb.org website. In order to make an application you need to have a Parent Portal User ID and Password. If you currently do not have one you can visit **any** public school in Pinellas County and they will assist you with getting one. You must bring a photo ID with you at that time.

Those students who applied and accepted their spot will receive a letter from Curtis in the mail in March detailing what paperwork is needed for registration.
