

PCS Parent Academy Workshop

Curtis families are invited to attend:

***Helping Your Child with Math:
"Mental Math" Techniques for
Math Readiness
(Grades 3-5)***

Garrison - Jones Elementary School
(3133 Garrison Road, Dunedin)

**March 18, 2015
6-7 pm**

All north-county families are invited to attend!

Math
2+2=4
fractions
multiplication
Geometry
3x+4y=28

Our focus is helping families:

- Support your child at home with math
- Understand the shifts in teaching and learning with our Math Florida Standards (MAFS)
- Recognize the benefits of our MAFS as preparation for college/career
- Interact with sample question-types from the Florida Standards Assessment
- Learn where to locate math resources for families and students
- Make sense of math and have fun!

For more information, please contact the Office of Strategic Partnership at (727)588-6000 extension 1846.
