

We are already a few weeks into summer and I wanted to call and remind you about our Summer Activities Calendar. During the last week of school your son or daughter came home with a brand new book and a summer activities calendar. Every student in Pinellas County received this summer package to encourage continued learning. Along with the activities each day, there is also a reading log. We highly encourage you and your child to continue reading each day during the summer in order to maintain fluency and foster a love of reading. As an added bonus to the learning, the district has offered an incentive to all schools. The school with the most completed activity calendars turned in when we return to school will be receiving a media center makeover! We certainly know that our little pioneers love to visit our media center each week and would love to be selected for this reward, but we need your help. Please ask your child to dust off their back pack and find their Summer Activity Calendar. If everyone does their part we will be in great shape for the new school year. Please continue to have a safe and happy summer. We will see you soon and remember...KEEP READING!

Good evening Pioneer families! Today is Sunday, May 31st. This is our last weekly Parent Connect for the 2014/2015 school year.

The last day of school is Tuesday, June 2nd at 12:35 p.m. No backpacks are to be brought to school on Monday or Tuesday of next week.

If your child is NOT returning to Garrison-Jones Elementary for the 2015/2016 school year, please either email Donna Hardman at [hardmand@pcsb.org](mailto:hardmand@pcsb.org) or call and leave a message at 727-469-5716 ext. 2103.

If your child has PRIDE passes at home, please return them to your child's teacher on Monday or Tuesday. All PRIDE passes must be turned in before the end of the school year.

If your child has medication at school, please make sure you come to pick it up before the last day of school—if not picked up—it will be destroyed.

The 5th grade Award Program is Monday, June 1st at 9:00 a.m. in the cafeteria. We hope to see all our 5th grade parents there.

Please visit our Facebook page and especially our webpage throughout the summer for next year information and supply lists. Our office will not be open this summer.
