

Good evening Pioneer families! Today is Monday, May 30th. This is our weekly Parent Connect to keep our families informed.

Mark your calendars! Early dismissal for the last day of school. The last day of school is Tuesday, June 7th with a 12:30 dismissal.

With summer fast approaching, there's still time to apply for summer voluntary prekindergarten, as well as VPK for the upcoming school year. VPK gives children a jumpstart on their education, preparing them for school, developing skills they need to become strong readers and enhancing their social skills. . If your child will be 4-years-old before Sept. 1, your child is eligible for school year VPK opportunities at Garrison-Jones

Our school offers VPK during the school year with before and aftercare available. To register for school-year VPK, stop by Garrison-Jones between 9:00—2:00 Monday through Friday with the required paperwork. To learn more about summer VPK and VPK, including participating locations and the required documents, visit www.pcsb.org/vpk. If you are interested in Summer VPK, please call (727) 588-6513.

This message will also be posted on our Garrison-Jones web page. Thank you and have a great evening!
