

PARENT AND STUDENT ACKNOWLEDGEMENT

This CODE has been written so students and family members know what behavior is expected and prohibited at school or at school activities. It is helpful if parents are aware of school rules so they can help support them from home. Failure to return this acknowledgement will not relieve a student or the parent(s) from the responsibility for knowledge of the contents of the Code of Student Conduct.

I have read:

- Summary of Changes
- The Annual Notice About Your Rights Concerning Student Records including releasing information to military recruiters and institutes of higher education. (page 9; Directory Information Opt-Out form on following page)
- The Annual Notice of School Board Policy Required By The Protection Of Pupil Rights Amendment
- The Notification of Availability of the School Public Accountability Report (2014- 2015)
- Florida Statute allowing blood donation by 17 year olds
- Social Security notification

I have reviewed the *Code of Student Conduct*.

Additionally, it is acceptable to display my child's good work.
