GIFTED SERVICES FOR HIGH SCHOOLERS

We believe that gifted high school students deserve an opportunity to get credit for studying something in their interest area as well as to explicitly work on critical and creative thinking!

An online, half-credit, quality-point, "independent study" gifted elective paired with monthly in-person "meetings" to practice critical & creative thinking skills and work on the social-emotional aspects of giftedness! A grade is issued at the end of the year and not at the end of each semester.
