ABOUT

Azalea Elementary School has been an integral part of our neighborhood in St. Petersburg since 1954, and we're proud to serve approximately 500 students from Pre-K to fifth grade. Our school community is known for its strong parent involvement, which helps create a welcoming and supportive environment for all our students.

We prioritize student enrichment, offering a world-class education and activities that provide a well-rounded educational experience. We are committed to academic excellence and empowerment. We have a dedicated team of professionals, including a full-time behavior specialist, social worker, and psychologist, to support our students' well-being.

At Azalea Elementary School, we're more than just a school - an actual neighborhood school and community. Join us and be a part of the Azalea family!
