SCHOOL IMPROVEMENT INSTRUCTIONAL BIG ROCKS

Key Focus Area 1 Engaging Students in Rigorous, Standards Based-Content
Goal: Promote academic achievement through active student engagement and high-quality instructional practices.

- Action Steps:**
- Implement daily opportunities for students to demonstrate understanding through structured listening, speaking, reading, and writing tasks aligned to grade-level standards.
 - Facilitate structured, data-driven PLCs focused on improving lesson design, instructional delivery, and the use of formative assessments.
 - Engage teachers in ongoing professional development to identify essential content, with an emphasis on monitoring student progress and adjusting instruction as needed.

Key Focus Area 2: Targeted Instructional Support for Students
Goal: Increase student proficiency through personalized and differentiated instruction based on need.

- Action Steps:**
- Utilize small group instruction during core academic blocks to address specific learning gaps.
 - Provide one-on-one targeted interventions for students requiring intensive support.
 - Implement differentiated instructional strategies in all classrooms to meet the diverse learning needs of students, using data to guide planning and grouping.
