Mission: Our mission is to prepare every student to be a productive citizen and provide them with the skill set necessary to be successful in life.

Vision: The vision of Tarpon Springs High School is 100% student success.

Tarpon Profile

Tarpon Springs High School, home of the *Spongers*, is located on 49 acres in northern Pinellas County within a quarter of a mile of the Gulf of Mexico. Originally part of a one-room schoolhouse in the late 1800's, Tarpon Springs High School, the second oldest school in the county, accommodates nearly 1900 students

Tarpon Springs High School offers scheduling that allows us to offer students courses that fascinate a wide variety of students. Some of our students through application in the spring, enjoy learning in our Cambridge Program, Veterinary Science Academy, Jacobson Culinary Arts Academy, and the Leadership Conservatory for the Arts.

Our Advanced Placement (AP) courses include American History, Art Studio 2d, Art Studio 3d, Biology, Calculus AB, Calculus BC, Chemistry, English Language, English Literature, Environmental Science, French, Human Geography, Latin, Physics C, Psychology, Spanish, Statistics, and World History. We collaborate with St. Petersburg College and Pinellas Technical College so that our students may earn college and/or career credit, as well as, high school credit through our partnership with them.

Schedule

Tarpon Springs High School follows a 7 credits a year schedule. The school year is organized into two semesters which are 18 weeks in length. Students must enroll in a minimum for seven (7) credits during a school year. This provides the student the opportunity to earn 28 credits in their high school career. The number of credits required to graduate is 24.

Registration occurs during early spring each year. At that time, students are asked to carefully choose courses for the upcoming school year. The selection of courses determines the actual number of offerings for each specific course.

We encourage our students to set and meet goals: challenging themselves to be the very best that they can be. Through consistency in task completion, we believe all students can exceed graduation requirements and earn a high school diploma.

Graduation Requirements

The minimum number of credits required for graduation from Pinellas County School District is twenty-four (24). Students must achieve a cumulative grade point average of 2.0 or above on a 4.0 scale to be eligible for a diploma. All graduating students must successfully complete the requirements of the Statewide Assessment Program. Students have to pass each assessment as defined by the State of Florida. Those students who have completed all Pinellas County graduation requirements, but who have not achieved the appropriate cumulative grade point average or have not met the requirements of the Statewide Assessment Program, may receive a Certificate of Completion instead of a standard diploma. Students may graduate with a 18 credit option. Students should check with their Guidance Counselor to learn more.

Refer to the charts on the pages that follow for more detailed information regarding graduation requirements.

Students Entering Grade Nine In 2019-2020 School Year

Subject Area	24-Credit Program	Graduation Requirements	Three-Year, 18-Credit Career Preparatory Program
English	4 credits with major concentration in composition, reading for information, and literature	4 credits with major concentration in composition and literature	4 credits with major concentration in composition and literature
Mathematics	4 credits, one of which must be Algebra 1 or its equivalent, one of which must be Geometry or its equivalent, and one of which must be Algebra 2 or a series of courses equivalent to Algebra 2	4 credits, one of which must be Algebra 1 or its equivalent, or a higher-level mathematics course from the list of courses that qualify for state university system (SUS) admission, one of which must be Geometry or its equivalent, and one of which must be Algebra 2 or a series of courses equivalent to Algebra 2	4 credits, one of which must be Algebra 1 or its equivalent, one of which must be Geometry or its equivalent, and one of which must be Algebra 2 or a series of courses equivalent to Algebra 2
Science	1 credit Biology 1 or an equivalent course or a series of courses 1 credit in chemistry or physics or a series of courses equivalent to chemistry or physics 1 credit in a science course equally rigorous to biology, chemistry and physics (two credits must have a laboratory component)	1 credit Biology 1 or an equivalent course or a series of courses 1 credit in chemistry or physics or a series of courses equivalent to chemistry or physics 1 credit in a science course equally rigorous to biology, chemistry and physics (two credits must have a laboratory component)	1 credit Biology 1 or an equivalent course or a series of courses 1 credit in chemistry or physics or a series of courses equivalent to chemistry or physics 1 credit in a science course equally rigorous to biology, chemistry and physics (two credits must have a laboratory component)
Social Studies	1 credit World History 1 credit U.S. History .5 credit U.S. Government .5 credit Economics	1 credit World History 1 credit U.S. History .5 credit U.S. Government .5 credit Economics	1 credit World History 1 credit U.S. History .5 credit U.S. Government .5 credit Economics
World Languages	Not required for high school graduation; but required for admission into state universities	2 credits in the same language or demonstrated proficiency in a second language	Not Required
Visual and Performing Arts, Speech and Debate, or Practical Arts	1 credit in Fine or Performing Arts, Speech and Debate, or Practical Arts (eligible courses specified in Course Code Directory)	Not Required	Not Required
Physical Education	1 credit in Physical Education to include the integration of Health	Not Required	Not Required
Electives	8 credits	2 credits	3 credits in single vocational/career education program and 1 elective credit <i>or</i> 3 credits in single career/technical certificate dual enrollment and 1 elective credit <i>or</i> 4 credits in vocational/career education (including 3 credits in one sequential career and technical education program) – pending legislative action
Total	24 credits	18 credits	18 credits
State Assessment Requirements	<ul style="list-style-type: none"> • The final grade for U.S. History or U.S. History Honors must include a minimum 30 percent of the U.S. History EOC Assessment. • Students must earn a passing score or attain an equivalent score on the Algebra 1, Geometry, and Biology 1 EOC Assessment in order to earn course credit. • English/language arts statewide assessment requirements are yet to be determined. 		
Grade Point Average (GPA) Requirements	Cumulative GPA of 2.0 on a 4.0 scale	Cumulative GPA of 3.5 on a 4.0 scale in required courses and a weighted or unweighted grade that earns at least 3.0 points or its equivalent in each of the 18 required credits	Cumulative weighted GPA of 3.0 on a 4.0 scale in the required courses and a weighted or unweighted grade that earns at least 2.0 points or its equivalent in each of the 18 required credits
<p>Special Notes All courses earned toward the three-year, 18-credit college preparatory program must satisfy admission requirements for the State University System. To determine which courses meet State University System admission requirements, please use the Comprehensive Course Table. At least 6 of the 18 credits must be completed in courses that include dual enrollment, AP, IB, AICE, or are specifically listed as rigorous by the Florida Department of Education. At least one course within the 24-credit program must be completed through online learning.</p>			

Graduation Requirements 18 Credit College Preparatory Diploma

Total Credits	18 credits <i>At least 6 of the 18 credits required for this program must be earned in classes that are <u>Honors, Advanced Placement, IB, or Dual Enrollment</u></i>	3 year time limit- A student who does not meet all requirements for the College Preparatory Diploma by the end of the third year in high school automatically reverts to a <u>four-year graduation program</u> option.
Credits in grades 9 and 10	A student who does not earn at least 5 credits by the end of grade 9 or 11 credits by the end of grade 10 <u>will be reassigned</u> to the four-year graduation program option.	
English	4 credits	Courses must include a major concentration in composition and literature.
Mathematics	3 credits	The three credits must be at Algebra I level or above from list of courses that qualify for state university admission.
Science	3 credits	The 3 credits must be in a natural science (and two must have laboratory component).
Social Studies	3 credits	World History (1 credit); American History (1 credit); Economics (1/2 credit); American Government (1/2 credit)
World Language	2 credits	2 credits in the same second language or demonstrated competency in a language other than English
Electives	3 credits	
Grade Point Average	3.50 for credits earned in the program	Students must earn at least a “B” (3 points) in an <u>unweighted</u> class and a “C” (3 points) in a <u>weighted</u> class to receive course credit in the College Preparatory Program. In addition, a cumulative weighted GPA of 3.5 on a 4.0 scale must be earned in the program.
State Assessment	Passing score on FSA Reading and FSA Math	A student who does not score at level 3 or higher on the grade 10 FCAT Reading and Math assessment will be reassigned to the four-year graduation program option.

Graduation Requirements 18 Credit Diploma

Total Credits	18 credits	3 year time limit- A student who does not meet all requirements for the Career Preparatory Diploma by the end of the third year in high school <i>automatically reverts</i> to a four-year graduation program option.
Credits in grades 9 and 10		A student who does not earn at least 5 credits by the end of grade 9 or 11 credits by the end of grade 10 will be reassigned to the four-year graduation program option.
English	4 credits	Courses must include a major concentration in composition and literature.
Mathematics	3 credits	One of the three credits must be in Algebra I.
Science	3 credits	The 3 credits must be in a natural science (and two must have laboratory component).
Social Studies	3 credits	World History (1 credit); American History (1 credit); Economics (1/2 credit); American Government (1/2 credit)
Career Preparation	3 credits	This requirement may be met with 3 credits in a single vocational or career education program, or 3 credits in career and technical certificate dual enrollment, or 5 credits in vocational career technical courses.
Electives	2 credits	Two credits must be earned in electives unless 5 credits are earned in career preparation.
Grade Point Average	3.00 for credits earned in the program	Students must earn at least a weighted or unweighted “C” (at least 2 points) in a class to receive course credit in the Career Preparatory Program. In addition, a <u>cumulative weighted</u> GPA of 3.0 on a 4.0 scale must be earned in the program.

Florida Bright Futures Scholarship Program

Visit <http://www.pcsb.org/Finaid/brfutures.htm> or www.firn.edu/doe/brfuture for information regarding Bright Futures Scholarships. Visit the Guidance Student Services Office to pick up a brochure.

Grading Scale

Letter grade for each marking period are assigned as follow:

A: 90-100 = 4.0 B:80-89 = 3.4 - 2.5 C:70-79 = 2.4 -1.5 D:60-69 = 1.4 - .5 F:0-59 = .4

Quality Points(Q)

Students entering 9th grade in the year 2-14-15 will only receive half a quality point for honors classes. All Advanced Placement and Cambridge AICE classes receive the full quality point. Students in 10-12th grade still receive the full quality point for honors classes.

Weighted Grades

Grades assigned these point values are used for class ranking, summa cum laude, magna cum laude, cum laude status, the National Honor Society and other honors

- A B C D F
- AP, DE, and AICE (Q) 5 4 3 1 0
- Honors 4.5 3.5 2.5 1 0
- Regular 4 3 2 1 .5 0

Honor Status

Students must earn the following cumulative weighted grade point averages (not rounded) to qualify for honors status. High school seniors who become eligible for an honors status during the second semester of their senior year will receive seals.

- Summa cum laude GPA greater than 4.0
- Magna cum laude GPA greater than 3.8 but less than or equal to 4.0
- Cum laude GPA greater than or equal to 3.5 but less than or equal to 3.8
- With Distinction GPA greater than or equal to 3.25 but less than 3.5

Class rank

Class rank will be computed based on all courses taken for high school credit through the first semester of the 12th grade year. Transcript rankings are estimates. The Assistant Principal for Curriculum will determine final official rankings senior year before Spring Break, at which time Valedictorian and Salutatorian will be announced.

Exam and Final Grades

Tarpon Springs High School will follow exam and final grade policy as set by Pinellas County Schools. Students who have a course grade of “A” or “B” are not required to take the exam except as may otherwise be provided herein. Students not required to take the exam must maintain the required grade through the remainder of the term. A student enrolled in the same course during two terms of the same school year is required to take at least one final exam in that course.

Second semester seniors are not required to take final exams in any course in which the student earned a provisional “A” or “B”. Exams are required in courses in which the student earned a provisional “C”, “D”, or “F” grade.

Any student who has been *enrolled in a Pinellas County public high school for less than the entire term* is required to take all exams.

Students **qualifying for early exams must meet the district’s minimum attendance policy including the days of absence** that occur at the end of the term.

Failed Class

Students who fail academic classes during the school year can retake the class in the following school year, at night school (if the student is 16 years old and the class is available), in the Extended Learning Program, through Florida Virtual School, or through an accredited, pre-approved correspondence school. Students must earn a C or better in the repeated course to forgive the prior grade.

Vocational Opportunities

Pinellas Technical College- Clearwater Campus

Students at Tarpon Springs High School may take classes at Pinellas Technical College (PTC) Clearwater Campus. PTC has many vocational and technical classes during the day providing knowledge and skills for future careers and employment. Any of these classes meet the elective or practical arts graduation requirements. Transportation is provided. Before classes begin a student must be at least 16 years old, have a 2.0 or above, have a junior or senior classification, have a PTC interview and recommendation, and *have 1st and 2nd periods available for at the year.*

PTC offers courses such as Air Conditioning, Heating Mechanic, Diesel Service Technician, Automotive Service Technician, Drafting, Cabinet Making, Electrical Wiring, Commercial Art, Electronics, Cosmetology, Precision Machining, Culinary Arts (food preparation), and Welding.

Tech Prep

Pinellas County Schools offer a wide variety of technical programs on the high school level. In an agreement with SPC, students earning high school credits can also earn college credits in these programs. Early Childhood Education is such a program at Tarpon Springs High School.

When visiting our Guidance Services Department, browse our Career Center for a free CD-ROM, Career Navigator. This CD ROM details all of the technical programs at PTEC and SPC. Contact our Tech Prep Coordinator for more information. Click here for more information: [TECH PREP](#)

Dual Enrollment

The 2019-20 St. Petersburg College Dual Credit Course list is distributed in late spring after School Board approval. Dual enrollment credit courses provide standard diploma students with the opportunity to earn high school credit as well as college credit from St. Petersburg College (SPC). Course offerings at high schools will vary. College application fees and tuition are waived by the college and textbooks are paid for by the school district. In order to be eligible to take dual enrollment credit classes students must:

- be in 11th or 12th grade eligible (rising 10th graders must be academically advanced and in need of college level courses to meet specific high school graduation requirements);
- have a cumulative grade point average of 3.0 on a 4.0 scale;
- have earned an acceptable score on the CPT- College Placement Test

Students may enroll only in dual credit courses that are included in the Pinellas County Schools' Articulation Agreement with the college. SPC requires that students take the final exam in all courses. With permission from the high school principal or designee, students who meet the above eligibility requirements, may enroll in specified dual credit courses on the SPC campus as part of their regular high school schedule for *up to half of the school day*. Students must complete the application for Dual Campus and obtain approval of the high school principal or designee prior to enrolling in classes on the SPC campus. Students MUST provide their counselors with a copy of their course assignment(s) and report card!

Early Admission

A high school senior may enter St. Petersburg College, University of Florida, or University of South Florida Honors Programs after the 11th grade provided that certain requirements have been satisfied. College application fees and tuition are waived by the college. This program requires that the senior spend their senior year as a full-time College student, completing high school graduation requirements while working toward their AA degree. In order to be eligible for early admission to college students must:

- have completed three full years of high school with a minimum of 21 credits earned on a seven credit schedule;
- have a cumulative grade point average of 3.0 on a 4.0 scale;
- have met the minimum level of performance for high school graduation on the FSA;
- have earned an acceptable score on the College Placement Tests; (CPT)
- obtain the signature of the high school principal or designee on the Application for Early Admission to College; and meet the college application deadline.

Testing in High School

AP- Advanced Placement Test Students who are enrolled in Advanced Placement courses must take the Advanced Placement test. The student does not need to pass the test to receive high school credit. If a student scores a level 3 or higher they may receive college credit. A student not enrolled, may pay to take the AP exam.

FSA- Florida Language Arts test is designed to measure reading and writing by the Florida Sunshine State Standards. This test is given to all 9th and 10th graders. Students may sharpen their skills at www.fcateexplorer.com. FLAExplorer is a proactive and skills reinforcement tool, based on Florida's Sunshine State Standards. Public school students can use the FLA Explorer free of charge. So, log on and put the FLAExplorer to work for you.

PERT- College Placement Test State law mandates that state-supported college institutions test their students' entry-level skills. The test includes questions to evaluate your skills in writing, reading comprehension, basic arithmetic and elementary algebra. Additional college-level mathematics skills will be measured if appropriate. Click here for: [CPT Test Descriptions](#)

SPC provides a practice test at <http://www.spcollege.edu/webcentral/admit/place1.htm> to help you better understand the college placement test before you take it.

ASVAB- Armed Services Vocational Aptitude Battery The ASVAB is administered by the "Armed services in coordination with the Guidance Department. Minimum scores are required for entrance to various areas of the armed services. It is also a career exploration tool that can be utilized by students interested in attending a 2 year college, 4 year college or technical program.

PSAT- Preliminary Scholastic Aptitude Test

NMSQT- National Merit Scholarship Qualifying Test The PSAT is taken during the sophomore year. Then in October of the Junior year, any college bound students should retake the PSAT to be eligible for the National Merit Scholars Program scholarships and to practice for the SAT.

ACT- American College Test

SAT- Scholastic Aptitude Test SAT II Subject Area Test

College bound students may choose to take the ACT or SAT for practice during their freshman and sophomore years. College bound students should take the SAT and ACT for the first time no later than the spring of the Junior year (earlier if they have finished Algebra 2). It is offered seven times a year, and may be taken repetitively. (College Entrance Examination Board) Students send and choose the date of the scores and the colleges of their choice @ www.collegeboard.com.

The SAT II's are subject area tests that selective colleges sometimes require. A student may elect to take an SAT II if he or she wishes to prove his expertise in a particular subject to his or her prospective college. Students may pick up SAT and ACT registration booklets from Guidance Services. They may also register online at www.collegeboard.com and www.act.org. Exception: Exceptional education students requesting extended time cannot register online. They should see their school counselor for more information before sending in the registration form.

Advanced Placement and ACIE Testing - End of the year course Exams for these subjects.

End of Course Exams are require for Algebra 1, Geometry, US History, and Biology.

Become an Elite Educator

Our Elite Educator Program—a partnership between St. Petersburg College and Pinellas County Schools—is changing the way teachers learn to teach. This program prepares you to teach grades K-6 and gives you an endorsement in ESOL (English to Speakers of Other Languages) and Reading. Students will be admitted in cohorts and will take all their classes together.

- Students will have a coach who will mentor and advise them throughout the program.
- Students will have monthly seminars on effective teaching during the four year program.
- Students will assimilate themselves in the classroom through extensive field placements from the beginning of the program.
- General education classes will be taught by faculty who will assist future teachers in closing the gap between content attainment and delivery of content to learners.
- During the first two years, students will take a series of courses designed specifically for educators, including child and adolescent development, teaching students with exceptionalities and curriculum integration.
- Students will be better prepared in all subjects, especially math and science, to work with all students, including Exceptional Students and English Language Learners.
- Graduates will receive:
 - ⇒ Employment: A job with Pinellas County Schools upon completion of a PCS internship.
 - ⇒ Paid internship: Monetary incentives upon completion of a PCS internship.

We are excited to announce our first cohort will graduate May 2018 with a Bachelor of Science in Elementary Education, K-6 with ESOL and Reading Endorsements.

EDF 3604: Social Foundations of Education (3)

3 Third - Year Junior

Fall (13 credit hours)

SCE 4313: Science for all Students (3)
EEX 4764: Instructional & Adaptive Tech. (3)
EDF 3132: Child & Adolescent Development (3)
LAE 4343: Writing Across the Curriculum (1)
Exit Level: Literature/Writing (3)

Spring (13 credit hours)

RED 4348: Literacy Development (3)
EDG 3943: K-5 Internship (3)
TSL 4941: ESOL Practicum (1)
EDF 4440: Measurement & Assessment (4)
EEX 3751: Enhancing Family Involvement (2)

Summer (4 credit hours)

MAE 4314: Math for all Students (4)

4 Four - Year Senior

Fall (12 credit hours)

EEX 4880: 6-12 Internship (3)
EDG 4376: Literature & Social Studies (4)
HLP 4710: Art, Music, Movement (2)
EDG 4444: Instructional Design (3)

Spring (12 credit hours)

EDG 4934: Senior Seminar (1)
EDG: 4944: Final Internship (11)

Begin preparing for the General Knowledge Test (GKT). Register online as fl.nesinc.com/FL_register.asp

In order to be admitted into the College of Education, students must have a lower-level overall grade point average of 2.5 or greater.

NOTE: The recommended 4-year plan is designed as a blueprint for students to complete their degrees within a 4-year period. This plan is a recommended sequence of courses. Students should meet with their Academic Advisor and an Education faculty member to develop a more individualized plan to complete their degree.

Tarpon Springs High School Courses

All AP courses require students to take the AP Exam.
End of Course Exams are required in Algebra 1, Geometry, Biology, and US History.

Art Education

Q* Portfolio –Studio Art 3 (2D or 3D)
Grade Level: 10-12 1 year- 1 credit Prerequisite:
2 years of Art, Portfolio I
Materials Fee

Q* AP Advanced Placement Art 3D Design Portfolio
Grade level: 10-12 1 year- 1 credit Prerequisite:
Art 2D, Art 3D, and one year of Art.
AP Exam Required
Materials Fee

3D Studio Art 1-2 (Ceramics, Pottery, Sculpture)
Grade level: 10-12 1 year-1 credit
Prerequisite: Creative Art 2D and 3D
Materials Fee

Creative Photo I
Grade Level: 10-12 1 year– 1 credit
Prerequisite: Creative Art 2-D and Art 3-D
35 mm camera recommended- Materials fee

Q*Creative Photo III Honors
Grade Level 10-12 1 year– 1 credit
Prerequisite: Creative Photography I and II,
35 mm camera recommended-Materials fee

Q* AP Advanced Placement Art 2D Design Portfolio
Grade Level: 11-12 1 year-1 credit
Prerequisite: Art 2D, one year of Art.
AP Exam Required
Materials Fee

2 D Studio Art 1-2(Drawing and Painting)
Grade Level: 10-12 1 year –1 credit
Prerequisite: Creative Art 2-D and Art 3D
Materials Fee

Q* AP Advanced Placement Art/Drawing
Grade Level: 11-12 1 year - 1 credit
Prerequisite: Art 2D, and one year of Art
AP exam required
Materials Fee

Creative Photo II
Grade Level: 10-12 1 year-1 credit Prerequisite: Creative
Photo I, 35 mm camera recommended- Materials fee

Q* Creative Photo IV honors
Grade Level: 10-12 1 year– 1 credit Prerequisite: Creative
Photo III, r35 mm camera recommended- Materials fee

Business Technology Education

Digital Informational Technology-DIT

Grade Level: 9-12 1 year - 1 credit

Prerequisite: None

Digital Design 1 through 4

Grade Level: 10-12 1 year - 1 credit

Prerequisite: Comp College/Careers or Intro to Information Technology, Digital Design I, II, III (Sequentially)

Workplace Essentials TA

Grade Level: 10-12 1 semester - 1/2 credit

Student Application Must be turned into Mrs. Deal

Practical Arts TA

Grade Level: 10-12 1 year - 1 credit

Student Application Must be Turned into Mrs. Deal

Business Entrepreneurial

Grade Level: 10-11 Year long 1 credit

Pre Req: DIT or CCC

Dance

Dance Techniques I	Dance Techniques II
Grade Level: 9-12 1 year- 1 credit	Grade Level: 9-12 1 year- 1 credit
	Prerequisite: Dance Tech I
Dance Techniques III	
Grade Level: 9-12 1 year-1 credit	
Prerequisite: Dance Tech II	

Driver Education

Driver Education - Class/Lab
Grade Level: 10-12 1 semester - 1/2 credit
There is a materials fee for this course.
Pre Requisite: Restricted License

Jacobson Culinary Academy
4-Year Pathway

Required 9th grade Culinary Arts Level 1/ Family and Consumer Sciences Directed Studies 1 year each - 1 credit each *Strongly Recommends* AP Human Geography, Honors & Advanced Placement AP Courses

Required 10th grade Culinary Arts Level 2/ Family and Consumer Sciences Directed Studies 1 year each - 1 credit each *Strongly Recommends* World History Honors/ AP, Honors & Advanced Placement AP courses

Required 11th grade Culinary Arts Level 3/ Family and Consumer Sciences Directed Studies 1 year each - 1 credit each *Strongly Recommends* Honors and Advanced Placement (AP) Courses

Required 12th grade Culinary Arts Level 4/ Family and Consumer Sciences Directed Studies 1 year each - 1 credit each *Strongly Recommends* Honors and Advanced Placement (AP) Courses**Culinary OJT* (Must be paid for work performed. Optional for Jacobson Culinary Academy students)

Choral Music Objectives

The purpose of Tarpon Springs High School Choir courses are to develop basic musical knowledge through advanced teaching in vocal techniques, musicianship skills, music notation, and an overall respect and appreciation for music.

Concert Choir

Concert Choir is the large mixed choir at Tarpon Springs High School. This choir is open to all who have a desire to sing and want to work to become good musicians. This class requires a one hour after school rehearsal per week.

Concert Choir concentrates on standard choral literature with an occasional venture into popular styles of music. The Concert Choir performs annually with Walt Disney World Orchestra at Epcot Center's Candlelight processional, as well as at District and State Music Performances.

Women's Choir

The Women's Choir is a combination of all of the women from both ensembles and the Concert Choir. This choir sings three and four-part treble choral literature. The Women's Choir performs at District and State Music Performances.

Varsity Choir

The Varsity Choir is a small mixed choir consisting of the members of Syndicated Sound and Sophisticated Ladies. This acapella choir performs college level choral music. The Varsity Choir rehearses as part of the ensemble classes as well as once a week after school. This choir performs annually at District and State Music Performances.

Sophisticated Ladies

Sophisticated Ladies is the young women's show choir at Tarpon Springs High School. Auditions for this group are held at the end of each school year. This ensemble studies popular and jazz styles of music. Choreography and solo work are also substantial parts of this course. Sophisticated Ladies participates in District and State Music Performance Assessments as well as in state and out including Branson, Missouri and Gatlinburg, Tennessee.

Syndicated Sound

Syndicated Sound is the coed show choir from Tarpon Springs High School. This ensemble consists of both singers and instrumentalists. This ensemble studies popular and jazz styles of music. Choreography and solo work are also substantial parts of this course. Syndicated Sound has received superior ratings at District and State Music Performance Assessments, and has also competed in and out of the state of Florida. In the past five years, Syndicated Sound has represented the state of Florida three times at National Show Choir Cup in Branson, Missouri.

Concert Chorus 4 Year Pathway

Concert Chorus requires attendance at after school rehearsal once per week and a small monetary commitment with available scholarships.

<u>Year</u>		
1	Chorus I	Chorus II
2	Chorus III	Chorus IV
3	Chorus V	Chorus VI
4	Chorus VII & VIII	Chorus VII & VIII

Syndicated Sound and Sophisticated Ladies Ensemble 4 Year Pathway

All members of the vocal ensembles are also required to attend after school rehearsals for Concert Choir and Varsity Choir once a week. There is a monetary requirement for all members with any necessary scholarship

<u>Year</u>		
1	Vocal Ensemble I	Vocal Techniques I
2	Vocal Ensemble II	Vocal Techniques II
3	Vocal Ensemble III	Vocal Techniques III
4	Vocal Techniques IV	Q* Vocal Techniques IV

Physical Education

Students entering 9th grade in 2007-2008 and after are required to complete a one-credit course called HOPE, Health opportunity through physical Education. (NOTE: The marching band waiver will not apply to this PE requirement. Students may obtain an athletic waiver or JROTC waiver by meeting specific criteria shown in Board Policy 5.13)

Individual & Dual Sports I through III Grade Level: 9-12 1 semester - 1/2 credit Prerequisite: Must be taken sequentially	Basketball Grade Level: 10-12 1 semester - 1/2 credit
Health Opportunities through Physical Education (HOPE) Grade Level: 10 1 year - 1 credit Required for students	Volleyball I through III Grade Level: 9-12 1 semester—1/2 credit
Weight Training I through III Power Weight Training Grade Level: 9-12 1 semester—1/2 credit	Team Sports I through II Grade Level: 9-12 1 semester—1/2 credit

Service Learning/Experiential Education

75 hours of documented service are required to qualify for the Bright Futures Scholarship Program.

Either of the service learning courses that follow may be used to meet this Florida Academic Scholars requirement. Contact the office of Financial Aid/Admissions for more information. In addition to the high school courses listed below, students participating in EIP are enrolled in the dual enrollment program. See the Dual Enrollment section for complete descriptions of the dual enrollment courses used for EIP. The course names are Career and Life Planning, Leadership Development Seminar, College Success Skills, Student Leadership Development, Self Awareness and Stress Management. For information concerning registration of students in the Executive Internship Program, please contact the Guidance Counselors' Program Coordinator.

Executive Internship Program (EIP)

This program is available by application to capable summer-rising junior and senior high school students. Program coordinators will arrange for selected students to spend a semester working with a professional in their chosen career field. No pay is received, but high school and college dual enrollment elective credits are earned. Executive Internship I-IV Grade Level: 12 1 semester - 1/2 credit
Prerequisite Application 3.0 GPA Courses must be taken sequentially.

Culinary Academy

9th	English	Math	Science	Soc. Studies
	English 1 or English 1 Honors	Algebra 1	Environmental-FR	No required history in 9 th Grade
	If English 1 Honors in 8 th grade: AICE General Paper	Pre AICE Math 2-0 (Geometry Honors)	Pre AICE Biology-0	AP Human Geography (elective credit)
10th	English	Math	Science	Soc. Studies
	English 2	Liberal Arts Math 1	Biology	World History
	AICE General Paper	Geometry	Pre AICE Biology-0	World History Honors
		Pre AICE Math 2(Geometry H)	Chemistry Honors	AP World History
		Pre AICE Math 3(Algebra 2 H)	Chemistry	
11th	English	Math	Science	Soc. Studies
	English 3	Liberal Arts 1	Chemistry	US History
	AP English Language	Algebra 2	Chemistry Honors	US History Honors
	Composition 1 (PERT Test Required)	Math for College Readiness Algebra Financial Literacy	Environmental-JS or Earth Space Science	AP US History
	Composition 2 (Pre-req: passed Comp 1)	Pre AICE Math 3 (Algebra 2 H)	Anatomy & Physiology Honors	
		Pre-Calculus Honors	AICE Physics 1	
		AP Statistics	AICE Marine	
		AP Calculus AB	AP Environmental	
			AP Biology 2 Periods	
			AICE Chemistry 2 Periods	
12th	English	Math	Science	Soc. Studies
	English 4 College Prep	Algebra 2 or Pre AICE Math 3 (Alg 2 H)	Chemistry	US Gov't/Econ 1 Semester
	Composition 1 (PERT Test Required)	Math for College Readiness Algebra Financial Literacy	Chemistry Honors Environmental-JS or Earth Space Science	US Gov't Honors/Econ Honors 1 Semester
	Composition 2 (Pre-req: passed Comp 1)	Analysis of Functions/ Trigonometry	Anatomy & Physiology	AP Government-All Year
	AP English Literature	Pre-Calculus Honors	AICE Physics 1 or 2	AICE Econ-All Year
		AP Statistics	AICE Marine	
		AP Calculus AB or BC	AP Environmental	
			AP Biology 2 Periods	
			AICE Chemistry 2 Periods	

Veterinary Academy

9th	English	Math	Science	Soc. Studies
	English 1 or English 1 Honors	Algebra 1	Environmental-Fr	No required history in 9 th Grade
	If English 1 Honors in 8 th grade: AICE General Paper	Pre AICE Math 2-0 (Geometry Honors)	Pre AICE Biology-0	AP Human Geography (elective credit)

Cambridge/Culinary/Vet Electives

Choose 3 FULL credits of electives + 3 alternates:

1. _____ = 1 credit Alternate: _____
2. _____ = 1 credit Alternate: _____
3. _____ = 1 credit Alternate: _____

Grade	Electives for Cambridge
10th	AICE Global Perspectives (required for Cambridge Diploma), AICE Psychology AS/AL, AICE Thinking Skills AS
11th	AICE Global Perspective (required for Cambridge Diploma), AICE Psychology AS/AL, AICE Media Studies AS-Follows Journalism 1-2 for YB, TV, AICE Thinking Skills ASAL
12th	AICE Psychology AS/AL, AICE Media Studies AS-Follows Journalism 1-3 for YB, TV.

Required Electives for Vet and Culinary

Grade	Vet	Culinary
9th	Vet 1	Culinary 1 Hospitality 1
10th	Vet 2	Culinary 2 Hospitality 2
11th	Vet 3 Vet 4	Culinary 3 Hospitality 3
12th	Vet 5 Adv Concepts AG Semester 1 Agri Direct Studies Semester 2	Culinary 4 Hospitality 4
