

Dear Elisa Nelson Elementary Parents,

We are excited to begin the 2021-2022 school year with renewed energy to advocate and positively impact our students, teachers, staff and families of Elisa Nelson Elementary School. ENE PTA is striving to expand each year to best serve our community. It is important to look back to see what was accomplished as we build our goals for the new school year.

In the 2020-2021 school year the PTA was proud to support the following programs at Elisa Nelson Elementary:

- PTA hosted drive-thru events such as Blazer Blizzard and Blazer Bubble BASH
- Monthly virtual family engagement programs were offered
- Classroom grants were provided and supported purchases such as sensory bins, whisper phones and athletic equipment
- The PTA Angel Tree provided a sister school with holiday gifts and essentials such as sweatshirts and masks
- PTA worked with student council to host a food drive for FEAST food pantry
- supported student services with quarterly awards and back to school planners
- worked to support our teachers with appreciation not just during teacher appreciation week but all year long
- Picnic tables were purchased with the proceeds from our beautiful First Family Bricks courtyard

In the 2021-2022 school year the PTA looks forward to continuing supporting our teachers, hosting family engagement events and advocating for our children. We invite you to become an active participant in the Elisa Nelson Elementary PTA. Membership is the first step in participation and helps give us our voice. We can't wait to see you this year!

Go Blazers!
