

Dear Elisa Nelson Elementary Families,

Welcome and welcome back! Your PTA has been preparing for an amazing school year full of events to enrich our learning community. We plan to build on the foundation we've established over the past few years and continue to support and advocate for our students, families, teachers and staff.

The PTA is excited to provide a collection of fantastic events to strengthen our school community. We are expanding on many of our successes of the past year including:

- Hosting the Blazer Blizzard, Spring Festival and Bubble Bash
- Providing classroom grants to support SEM clusters
- Organizing the PTA Angel Tree provided a sister school with holiday gifts and sweatshirts
- Sharing our Holiday Shoppe funds to provide a field day to a sister school
- Restocking FEAST food pantry with a food drive
- Lending our support to school-led events throughout the year such as Reading Under the Stars, Grandparents Day, Field Day and more
- Showing our teachers appreciation not just during teacher appreciation week but all year long
- Fundraising to equip our school with new playground fans (they're on the way!)

In the 2022-2023 school year, the PTA plans to do these things and more. We invite you to become an active participant in the Elisa Nelson Elementary PTA. Membership is the first step and helps to support these initiatives. Please see the attached flyers for membership info as well as how to order more ***Spirit Wear***. The deadline is **August 21**. We can't wait to see you this year!

Go Blazers!

Tiffany Eaton (mom of Penelope - 4th grade and Oliver - 2nd grade)

PTA President
