Fundamental schools are schools of choice and membership in fundamental schools is a privilege. Fundamental schools are designed for students who work best where expectations are clearly defined. Participation by parents/guardians is also a requirement. Students may be returned to their zoned school for failing to comply with the fundamental school policies as outlined in the Parent/Student Handbook and the School Board approved Procedures for District Application. Each parent/guardian is required to sign and comply with the following agreement for each child attending a fundamental school.

As the parent/guardian of a student in this fundamental program, a student's continued enrollment in a fundamental school depends upon the cooperation of parents/guardians in this educational philosophy. Fundamental school parents/guardians and students are expected to comply with all the following commitments:

- Sign the parent/guardian commitment agreement affirming, in writing, that they will abide by all policies, procedures and rules of the school as a condition of enrollment.
- Understand that fundamental schools are designed for those students who excel in a structured learning environment.
- Understand that continued enrollment in this school depends on cooperation and compliance with all fundamental policies and procedures.
- Adhere to the parent/guardian requirements concerning attendance at Parent-Teacher Association (PTA), Parent-Teacher-Student Association (PTSA), School Advisory Council (SAC) or other approved meetings.
- Attend parent/teacher conferences, when requested.
- Adhere to the Homework/Classwork Guidelines, and Discipline Guidelines.
- Review and sign all homework assignments and agenda book.
- Understand that reassignment of a student to a district discipline program or expulsion will result in immediate removal from the school; no readmission will be considered.
- Provide timely transportation to and from school and furnish transportation for any after school activities, including detention. Understand that if a family utilizes public transportation it is their obligation and responsibility to instruct the student concerning proper conduct on public transportation, as well as safety matters, including but not limited to, the differences between riding a school bus where vehicles will stop for loading and unloading and riding public transportation where vehicles do not stop when passengers are loading and unloading.
- Understand that if the school receives any complaints about the student's conduct on public transportation, disciplinary referrals could result in the student's removal from the school.
