GET INVOLVED

Athletic and Extracurricular Activities

CLUBS AND ATHLETICS (50+ and growing)

Updating FOCUS Contact Info

FOCUS Contact Information

Please log into your parent FOCUS account, choose Child Info, then Address & Contacts.

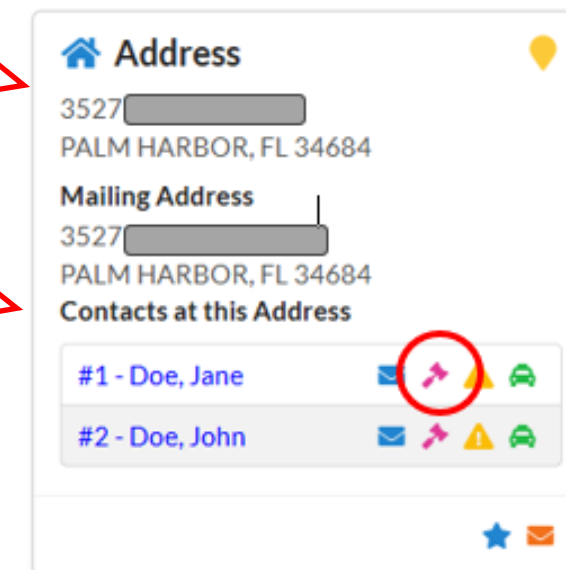

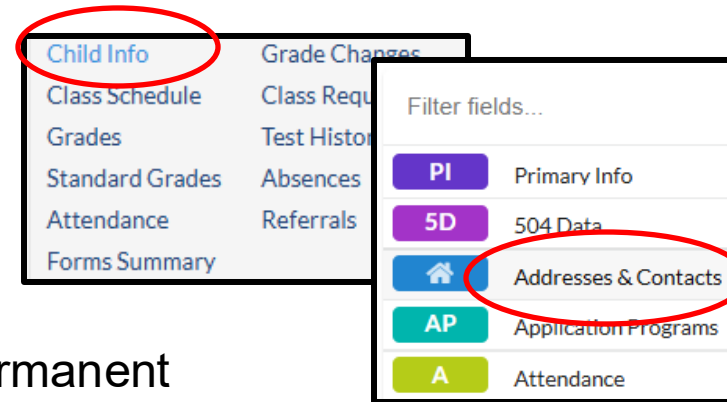

Doublecheck the following:

Is the student's primary address correct? You will see a permanent address and a mailing address. Apartment numbers will only be seen in the mailing address.

Are the main contacts correct and have a phone number (preferably cell phone), an email, and the correct relationship listed, such as mother, father, etc.? Click or hover over the name to view the information.

Is the gavel visible for the correct people? A gavel represents an "Educational Decision Maker" who is permitted to make educational decisions for the student. Typically, the parents/guardians are marked as decisions makers.

IF YOU NEED TO MAKE CORRECTIONS, PLEASE CONTACT YOUR **CURRENT SCHOOL**. YOU DON'T WANT TO MISS OUT ON IMPORTANT CALLS AND EMAILS.

The additional icons are optional and will be updated once school begins in August.

Stay Connected!

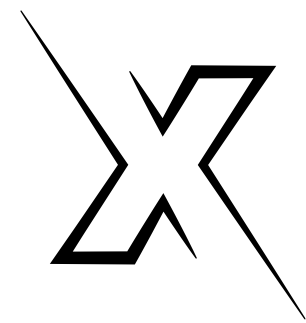

Follow us on social media for updates, reminders, and to see what's happening @ the Lake!
