Eagles read at least 30 minutes EVERY night!

May 2021

Dear Parents and Guardians of our Skyview Eagle Students,

Thank you for a wonderful year of teaching and learning during a pandemic. You have Eagle Teamed with our Skyview Eagle Team Staff for your Eagle child's learning success.

The Merry Month of May will bring lots of FSA testing for your 3rd-5th grade child. The FSA Assessments are summative informing our teachers which standards your child knows, and which standards need to be mastered to be grade level proficient. On our weekly call outs, I will inform you as to what grade level will be testing and what subject area. Thank you for having your child at school and on time. We will be teaching and assessing all the way to June 9, 2021. June 9th will be a two-hour earlier dismissal. Students will be dismissed at 12:55pm.

Virtual students will be turning their computers in on June 8th at the 86th Car Circle during your child's Specials (PE, Art, Music). When bringing back your child's loaner computer and any other school resources, you will receive your child's report card at that time. If you are not using a school loaner computer, you will come to 86th Car Circle on June 8th during your child's Specials to return school resources and receive your child's report card.

Our Summer Bridge Luau is the perfect opportunity for students K-4th grade to work on the most important grade level standards while enjoying lots of fun while teaching and learning. Please register your child at <https://reservation.pcsb.org>.

Meet Your Teacher is Monday, August 9, 2021 from 6-7:00pm. School will begin August 11, 2021. If you have any questions or concerns, please call 547-7857 and we will assist you.

Eagles, on our journey of parenting and teaching for the education of your child,

Love wins,

Suzanne Hester

Change of Address:

Hello Parents,

As we near the end of this school year... parents, I need to be informed if your child is not returning to Skyview ES for the next school year. If your family is moving-either out of State, Country, Private or Charter schools, please let me know, I need a note stating that your child will not be returning to Skyview ES this next school year- the note should state where he/she will be moving to and the school they will be attending.

Parents: Please be aware that your address and phone number must be updated in Focus any time your information changes. Visit reservation.pcsb.org to update any information that has changed. For address change- after you enter the change in the system I will need 2 proofs of residence, then I will finalize and populate the new information in Focus.

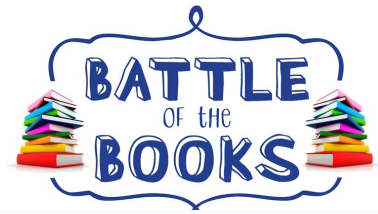

Thank you so much any questions please call me at (727)547-7857 ext. 2007 Lucy Diaz-DMT.

Please take note that we will collect all **MYpcs** laptops on **Tuesday, June 8th** at the 86th Car Circle during your child's Specials (PE, Art, Music). Please make sure to return the laptop power cord with the laptop during your end of year car circle exchange. Parents will receive an official return receipt from us at the car circle. When bringing back your child's loaner computer and any other school resources, you will receive your child's report card at that time.

Also, please make sure that any **outstanding library books** are returned. We rely on our students returning books in order to ensure that we provide those excellent books for next year. Thank you! If you have any question, please email me at bradwellt@pcsb.org

Regards, Tom Bradwell, LMTS
