

● CHARACTER ● LEADERSHIP ● SCHOLARSHIP ● SERVICE ●

National Honor Society is a very well-respected nationwide organization for high school students based on their display of these four criteria pieces: Scholarship, Leadership, Service, and Character. Involvement in NHS speaks to a student's academic success, community involvement, leadership skills, and overall high character.

Students will be invited to apply for membership after the first quarter of their junior year once grades are completed. After a student receives their invitation, they will need to complete the NHS application for review.

THE BENEFITS OF BEING A MEMBER OF NHS

Being a member of the National Honor Society shows that you are among the best students in your class, in terms of academics, leadership, service, and character. It shows a commitment to community service and provides the opportunity to network with like-minded peers. The National Honor Society offers college scholarships to its members in good standing. There are over 400 scholarship programs with the NHS each year. Being a member of NHS in high school is also an appealing and welcome addition to your college application.
