Advancing Student Success By Reducing Chronic Absence

TIPS FOR "ROARING" ATTENDANCE

- Remind your child that attending school daily is an expectation.
- Communicate the importance of regular school attendance so they are hearing the same message from all adults.
- Schedule appointments, when possible, for after school. If not possible and they are able to attend school after their appointment, please bring them to school.

Five or Less Absences this Year!

18 OR MORE DAYS

- Excused and unexcused absences represent lost time in the classroom and lost opportunities to learn.
- Missing just one day every two weeks can add up to 18 days in a year. Absences add up before you even know it.

10 TO 17 DAYS

- Students who are absent an average of 15 days a year miss a year's worth of school before their senior year.
- When students miss a day of school it actually puts them two days behind their classmates.

9 OR FEWER ABSENCES

- Students with good attendance generally achieve higher grades and enjoy school more.
- Children benefit and make the most of their educational opportunities if they attend school regularly and on time.
