

# Meet the Teacher 2020

## Drive-Thru Style

This year's Meet and Greet will look very different than years before. We are striving to still give the families an experience of meeting their teacher and feeling comfortable for the upcoming school year. Below are the schedules for both virtual and face-to-face classrooms. As you go through the front or the back of the school there will be a clearly labeled sign with your child's teacher on it so that you know where to stop. Please make your stop brief with a quick hello and pick up any necessary supplies to help keep our line moving. Our staff is so excited to greet you and your student!
