CENTER FOR THE CREATIVE ARTS, HEALTH & WELLNESS

AT LAKEWOOD ELEMENTARY SCHOOL

PLEASE WELCOME OUR NEW CREATIVE ARTS STAFF!

The Center for the Creative Arts, Health and Wellness proudly welcomes two new staff members to our creative arts team-

Ms. Ponder- Art

Art is Ms. Ponder's passion and teaching students is her calling. Originally from Jackson, MS, she went to Mississippi State University for my Elementary Education degree. She then received my Masters in Instruction and Curriculum Instruction at the University of Memphis. She specializes in pottery and mixed media art. She is thrilled to be a part of Lakewood Elementary School.

Ms. Pati- Dance

Mrs. Pati is a St. Pete native whose love for dance blossomed in 6th grade at John Hopkins Middle School. She further pursued her passion at Gibbs High School and the University of South Florida. Patrizia has been teaching dance year-round throughout Tampa Bay and during the summer months in New York.

At Lakewood, Patrizia envisions an exciting journey through various dance forms and techniques. The program will help students develop body control and coordination as they explore steps, terminology, and combinations. Additionally, students will embark on a global dance adventure, learning about the customs, culture, and history of different dance styles.
