BIS BUSINESS & INDUSTRY SERVICES

Mission

Provide students the opportunity to develop national workplace competencies to fill the needs of business and industry.

Learn the tools and skills you need to create custom jewelry. This class is designed for students who have no prior knowledge or limited knowledge of silversmithing.

Included in the cost of this course are all tools and supplies needed to successfully participate in the course. Silversmithing kits and all supplies are distributed on the first night of class. Participants do not need to bring any materials with them to class.

While in this class you'll learn:

- Soldering
- How to create and size ring shanks
- Bezel setting stones
- Completing a stone ring
- Finishing and polishing

DETAILS

- **30-HOURS** (10 classes per session).
- **TOTAL COST** – \$788.94/Person
