

SPARTAN WEEKLY UPDATE

#SpartanPride

August 29, 2021

Greetings Spartans,

We are truly glad to have you in school for the 21-22 school year! As you know, COVID-19 is still prevalent in our community. Please remember the importance of washing your hands and/or using hand sanitizer frequently, social distancing to the greatest extent possible, sneezing into your elbow, and please let someone know if you are not feeling well. Students and families can choose whether to wear a mask or not, and all choices will be respected. Pinellas County Schools strongly recommends wearing masks and has a ready supply here at school for anyone who would like one. If students want a mask or face covering, they can ask their teacher or any administrator. We appreciate everyone's efforts to keep our school community healthy and safe. By working together, we will make it a great school year!

Attendance

Parents, please be reminded that school begins at 7:10 A.M. We continue to have students enter the building late each day. We seek your partnership in educating your child, so please make sure they are getting a good night sleep and arrive on time each day so they are not missing valuable instruction time. Thank you in advance.
