November 19, 2021

Greetings Spartans,

Thanksgiving Break

Fall Academic Challenges

The High School Teaching and Learning Department has developed Academic Challenges for English, Mathematics, Reading, Science and Social Studies to support academic success. These are great opportunities for students to re-visit content that has been covered during class and help them with content mastery. **The Fall challenges can be accessed through Clever → High School Enrichment Activities.** Teachers are encouraging students complete one or more of the challenges between now and November 29th.
