Graduation 2021 Update

Pinellas County Schools is currently planning for traditional graduation ceremonies following all health and safety protocols, event guidelines and Major League Baseball schedules. Tentative dates have been set for early June, venues are reserved and we are having ongoing discussions with Department of Health officials to understand forecasts for the end of the school year. The district will announce final graduation plans in the next few weeks so that students and families can plan accordingly. Information will be posted at pcsb.org/graduation. Ceremonies will also be livestreamed on the district's YouTube channel.

College Acceptances for Seniors

Pinellas County Schools wants to celebrate our students' successes. We are creating a video montage that will feature our students' reactions to college acceptance news. For a chance to be featured, students can submit video clips at <http://bit.ly/PCSaccepted>.
