College and Career Center (NEW to Lakewood)

Recently Lakewood High School was given an additional support, by way of a College and Career Center. We have a CCC Manager named Ms. Alvarez who is present and readily available to see students. This semester she is here on Tuesdays only but her days here will increase and she will be here full-time next school year. Please encourage your child to reach out to her. She is available both face to face or virtually. Parents can also reach out to her with questions and assistance. She has a wealth of information as it pertains to post-secondary planning, including but not limited to:

- Careers
- Colleges/ Universities
- Assistance with the FAFSA
- Scholarships
