Greetings Spartans,

As we continue in the season of Covid-19, if your child is exhibiting symptoms of Covid-19, please keep them home, notify the school and follow-up with their physician. Please send COVID Lab Test results to Ms. Mudd at [muddl@pcsb.org](mailto:muddl@pcsb.org).

### **Class of 2022 Valedictorians and Salutatorians**

It was our pleasure to surprise the four Lakewood Seniors as we announced our Class of 2022 Valedictorians and Salutatorians. These are the seniors with the top two highest GPAs at Lakewood High School and in the CAT program.

All four students will be celebrated in the Tampa Bay Times, our PCSB website, and will be featured speakers at the Class of 2022 Graduation on Thursday May 19<sup>th</sup> at Tropicana Field.

### **Parent Focus Password Reset**

If you are unable to change your password online or if you do not know your username or password, we prefer for you to visit your child's school to have your identity confirmed and password changed. Please bring your identification with you to the school. If you are unable to visit the school, you can call the school's administration, and they will utilize a screening protocol. You can also send a copy (scanned or picture) of your identification card with your request to the administration of your child's school.

### **Course Registration for 2022-2023**

We will be continuing Course Selections Sessions through March 9 through your child's English class. Please make sure your child attends school in order to have input on the schedule for next year.

### Spring/End of Course Testing and Assessments

We will be entering our annual Testing Season. Graduation Rate, School Grade and Student's choice of classes for the next school year are very important facets of testing. We must test 95% of our students each year, therefore it is imperative that students not only attend school but be prepared for testing each day that they are scheduled to test. You will receive a detailed schedule as we get closer to each testing window,
