

SPARTAN WEEKLY UPDATE

#SpartanPride

March 6, 2022

The Mission of Lakewood High School is to create and nurture a foundation for learning and academic success where students take pride in their accomplishments and develop character traits, which have a positive impact on their education experience.

The Mission of the Lakewood High School AVID program is to close the Opportunity Gap by preparing all students for College and Career readiness with the goal of securing their success in a Global Society.

Greetings Spartans,

As we continue in the season of Covid-19, if your child is exhibiting symptoms of Covid-19, please keep them home, notify the school and follow-up with their physician. Please send COVID Lab Test results to Ms. Mudd at muddl@pcsb.org.

Spring Break - 3/12 - 3/21

Pinellas County Schools will be on Spring Break from 3/12 - 2/21. Students will return to school on Tuesday, March 22, 2022 (B-Day).

Parent Focus Password Reset

If you are unable to change your password online or if you do not know your username or password, we prefer for you to visit your child's school to have your identity confirmed and password changed. Please bring your identification with you to the school. If you are unable to visit the school, you can call the school's administration, and they will utilize a screening protocol. You can also send a copy (scanned or picture) of your identification card with your request to the administration of your child's school.

Course Registration for 2022-2023

We will be continuing Course Selections Sessions through March 9 through your child's English class. Please make sure your child attends school in order to have input on the schedule for next year.

Spring/End of Course Testing and Assessments

We will be entering our annual Testing Season. Graduation Rate, School Grade and Student's choice of classes for the next school year are very important facets of testing. We must test 95% of our students each year, therefore it is imperative that students not only attend school but be prepared for testing each day that they are scheduled to test. You will receive a detailed schedule as we get closer to each testing window.
