

SPARTAN WEEKLY UPDATE

#SpartanPride

April 10, 2022

The Mission of Lakewood High School is to create and nurture a foundation for learning and academic success where students take pride in their accomplishments and develop character traits, which have a positive impact on their education experience.

The Mission of the Lakewood High School AVID program is to close the Opportunity Gap by preparing all students for College and Career readiness with the goal of securing their success in a Global Society.

Greetings Spartans,

All Pinellas County Schools will be closed on Friday April 15th in observance of Good Friday. School will resume on Monday April 18th (B-Day).

As we continue in the season of Covid-19, if your child is exhibiting symptoms of Covid-19, please keep them home, notify the school and follow-up with their physician. Please send COVID Lab Test results to Ms. Mudd at muddl@pcsb.org.

Attendance Matters

Parents, Lakewood Cares about your Scholars. Each day we are seeing an alarming amount of students not coming to school, arriving late and leaving campus early. Attendance does matter and we need all students in school on time, every day. School starts at 7:10 A.M and dismisses at 1:55 P.M. Attendance has a direct correlation to your child's grades and test scores. Please ensure that your child is making the most of their instructional time by arriving to school on time.

Spring Testing

Parents, Spring Testing is here, your child(ren) at school in order to complete FSA/EOC and AP Testing and Final Exams. These tests have heavy implications on your child's Semester 2 final grades, graduation status as well as scheduling options for the next school year. Below is a snapshot of the upcoming testing schedule. Please make sure your son/daughter receives a good night's sleep and is present at school for the next 6 weeks.
