

SPARTAN WEEKLY UPDATE

#SpartanPride

April 17, 2022

The Mission of Lakewood High School is to create and nurture a foundation for learning and academic success where students take pride in their accomplishments and develop character traits, which have a positive impact on their education experience.

The Mission of the Lakewood High School AVID program is to close the Opportunity Gap by preparing all students for College and Career readiness with the goal of securing their success in a Global Society.

Greetings Spartans,

As we continue in the season of Covid-19, if your child is exhibiting symptoms of Covid-19, please keep them home, notify the school and follow-up with their physician. Please send COVID Lab Test results to Ms. Mudd at muddl@pcsb.org.

Construction

Construction will begin on the front parking lot on Monday April 18th. We will be limited to only half of the front parking lot. For the safety of our students, please do not use the front parking lot as a student drop off or pick up. Students can be dropped off and picked up safely from the 54th Avenue lane. If you have to do business in the front office, please make sure you are adhering to the School Zone Speed Limit and watch out for pedestrians.

Attendance Matters

Parents, Lakewood Cares about your Scholars. Each day we are seeing an alarming amount of students not coming to school, arriving late and leaving campus early. Attendance does matter and we need all students in school on time, every day. School starts at 7:10 A.M and dismisses at 1:55 P.M. Attendance has a direct correlation to your child's grades and test scores. Please ensure that your child is making the most of their instructional time by arriving to school on time.
