

# Weekly Wednesday Update

11/4

Good Afternoon Blazer Families,

Today, we celebrated the creativity and commitment of our Blazers who participated in the PTA Reflections Contest. The 2021–2022 Reflections theme was *I Will Change the World By...* This year, 27 ENE students submitted 31 entries in the areas of Dance Choreography, Film Production, Music Composition, Photography, Literature, and Visual Arts. Congratulations to all our young artists! Thank you, PTA, for this wonderful and unique opportunity!!

## Veterans' Day Program Thursday, November 11

It is an ENE tradition to recognize and thank our all who have served and continue to serve our nation. The Veterans Day program will be streamed just like the BBC morning show and classes will be able to watch it simultaneously at school while parents will be able to tune in remotely. Our FAME Team and Ms. Martin are planning this special event. Directions to tune-in will be sent by your child's teacher.

## Great American Teach-in - Wednesday, November 17

The Great American Teach In is right around the corner! We are gearing up for a great day of exciting learning opportunities. Thank you to all who have signed up to present in their area of expertise.

We need you! It's not too late! Please consider sharing your career or talents with our students. We are hoping to fill the classrooms with presentations. This is a great day for our students and teachers and we are so excited to have you. If you would like to present, please fill out this eForm with your information and we will add you to our schedule. <https://forms.office.com/r/pewimGVV2y> Please feel free to share this form with friends and members in the community that you feel may be interested in joining us.
