

Principals Weekly Update

4/10

Greetings Blazer Families,

It was such a wonderful day, today! Watching our students take charge of their learning and sharing their work with their families with ownership and pride was truly remarkable and my heart is so full! I am proud of all our Blazers for their hard work and preparation for Student-led Conferences. Parents and guardians, THANK YOU for taking time out of your busy schedules to attend these conferences and encouraging our scholars continue to strive harder and strengthen their confidence.

Our **Battle of the Books** school competition was so much fun, and our school team is now ready to compete at the district level. Please join me in congratulating our fantastic readers and evidence finders that will represent Elisa Nelson Elementary at the district level – Abigail C, Ivy P, Sabrina G, and Alex O. Way to go B.O.B. Team!!

Schoolwide Enrichment Model (SEM): Blazers are hard at work preparing for their upcoming SEM Showcase on April 23 and families are invited to view the display of final products. Your child can tell you all about their SEM cluster and their creations. [Click here for a short video about the Schoolwide Enrichment Model Clusters at Elisa Nelson Elementary.](#)
