## Sensory-Friendly Morning at The James Museum

**Saturday, November 18 | 9-10 a.m.**

Join us for a morning at the museum designed for children and adults with neurodiversity and sensory processing differences, along with their family members. Explore the museum before public hours and engage in activities and artmaking for all ages and developmental levels.

*Space is limited; reservations required.  
The James Museum is located in downtown St. Pete.  
Garage parking available. Please register at  
[thejamesmuseum.org/eventarchive/sensory-morning](https://thejamesmuseum.org/eventarchive/sensory-morning).*
