

2025 - 2026

POWER UP LEARNING

Back to School is the time to power up our brains, dive into learning and learn more about our cell phone policy. The real magic happens when we disconnect from distractions and turn off our personal devices. Education can be epic when we unleash the power of learning together – and remember to power down personal devices and power up your learning.

**LEARN MORE ABOUT THE
CELL PHONE POLICY AT
[PCSB.ORG/POWERUP](https://pcsb.org/powerup)**

ELEMENTARY SCHOOL CELL PHONE POLICY

Students please keep your devices off throughout the school day and while participating in school activities. You may use your device at the end of the school day.

MIDDLE SCHOOL CELL PHONE POLICY

Students please keep your devices off throughout the school day and while participating in school activities. You may use your device before and after the school day.

HIGH SCHOOL CELL PHONE POLICY

Students please keep your devices on silent or off during instructional time within all class periods. You may use your device before and after the school day, during lunch and when transitioning between classes.
