Meadowlawn Parents & Guardians,

Our goal at Meadowlawn Middle School is to provide quality educational experiences in an inclusive environment that focuses on educating our scholars from the time they enter school until they are dismissed. The expectation is, prior to entering campus, electronic devices / headphones are in the off position and placed in the scholar's backpack. Electronic devices are not to be visible during the school day or used for any reason from the hours of 9:20 A.M. – 4:10 P.M. As needed, scholars have access to computers to meet their educational needs.

We understand there are times it's necessary to contact your scholar or your scholar to contact you; if so, reach out to the appropriate grade-level office, we will relay messages to your scholar:

School Phone:	727-570-3097
6 th Grade:	x 2036
7 th Grade:	x 2037
8 th Grade:	x 2038

If there are incidents of noncompliance, scholars will receive consequences:

1 st Offense:	warning, parent contact, device taken and returned to student at the end of the day
2 nd Offense:	parent contact, parent pick up device
3 rd Offense & Subsequent Offenses:	parent contact, parent pick up device, 1 day of ABS

Front office hours are 8:30 A.M. – 4:30 P.M.; devices must be picked up between these hours. We appreciate your support to ensure policy compliance and creating the best learning environment for your scholar.

Kind regards,

Mr. Trever Forbes
Principal
