Westgate Elementary

School Improvement Plan

Sharing A Vision for Excellence!

Mission: The vision of Westgate is to be a community of learners where all students, families and staff work together to achieve their highest potential.

Vision: 100% Student Success

Academics

- Create a culture of collaboration through planning structures that lead to high quality, standards-based instruction that is guided by data-driven decision-making
- Implement differentiated instruction by offering targeted supports during and outside of core instruction using research-based tools and strategies
- Design and execute instructional schedules and student groupings that foster inclusion, co-teaching, and blended classroom supports that allows all students to access essential learning

Climate and Culture

- Sustain and enhance an engaging PBIS program that promotes clear communication and recognition of school-wide behavior expectations
- Utilize the MTSS Problem-solving process to proactively provide Tier 2 and 3 behavior supports
