

Dunedin Highland Middle School

Dress Code

The dress code policy adopted by the learning community at our school is designed to enhance student learning in a caring and nurturing environment. Our dress code policy promotes solidarity and school pride among our students attending the STEAM Academy and Center for Gifted Studies. Students have choices for both tops and bottoms.

In addition to the Pinellas County Schools' dress code policy at <https://www.pcsb.org>, Dunedin Highland students must adhere to the following:

Tops

ALL DHMS students will wear a solid white, black, red or gray polo or crew neck style shirt. These shirts may be plain or purchased with our approved school logo through the school website under "Resources."

Bottoms

Students will wear solid white, black, red, gray or khaki bottoms in the form of a skirt, shorts, pants, skort, jumper or loose fitting solid athletic wear. All shorts and pants must be worn around the waist.

Shoes

No crocs, slides, flip flops or sandals will be allowed.

Outerwear

DHMS Hoodies and sweatshirts will be available for purchase from PTA. Plain white, grey, black or red sweatshirts will also be permitted. A zippered jacket with the approved DHMS logo will be available for purchase through the school website under "Resources."

Friday

Approved school/club spirit shirts may be worn on Friday with non-distressed jeans with no holes or uniform bottoms. T shirts will be available for purchase from PTA.
