The Personalized Learning Pathway (PLP) is an online platform that provides a dashboard of information about how a student is doing in school and on state/ district assessments. Student in grades 3-12 can keep track of clubs and volunteer activities as well as access online lessons for the areas they need more work on.

Students get to PLP through their Clever dashboard.

1. Log in to Clever
2. Click on the Personalized Learning Pathway app
3. Enter their school email – username@pcsb.org (Ex. r2.d2@pcsb.org)

A screenshot of the Personalized Learning Pathway (PLP) dashboard. The dashboard is organized into several sections. On the left is a vertical navigation menu with icons for "Class of 2020", "Advanced Scholar", "Hobbies/Clubs", "Achievements", "Volunteering", "Work Experience", "Goals", and "Support Team". The main content area is divided into four columns: "Mathematics", "Language Arts", "Path to Graduation", and "College and Career Readiness". The "Mathematics" column has buttons for "Algebra and Modeling", "Functions and Modeling", and "Statistics and the Number System". The "Language Arts" column has a "Key Ideas and Details" dropdown and a list of standards (LAFS.910.RI.1.1, LAFS.910.RI.1.2, LAFS.910.RI.1.3, LAFS.910.RL.1.1, LAFS.910.RL.1.2) with "Points Earned: 6" and "Points Possible: 14". The "Path to Graduation" column has a "General Information" section with buttons for "ELA", "Math", "Science", "Social Studies", "Arts", "HOPE", "Electives", and "Online", and a "Print My Path" button. The "College and Career Readiness" column has buttons for "PSAT/SAT", "ACT", "Industry Certifications", "Advanced Coursework", and "NCAA Eligibility". At the bottom, there is a "General Information" table with columns for "Cumulative GPA" (2.5313), "Credits Earned" (16), "Algebra 1 EOC Status" (?), "FSA Reading" (?), and "Are You On Track?" (?). The "CLEVER @ Home" logo is in the bottom right corner with the tagline "LEARNING ANYTIME, ANYWHERE".

Playlist Information

Description: In this playlist, students will learn how to cite strong and thorough textual evidence to support their claims about what the text says.

Instructions for working (through) a PLP lesson

Comments

Watch this video to learn how to work through a PLP playlist.

Take your time to do your best work.

- Some of the lessons you encounter may take an hour and some may take several hours.
- Move through the lessons at your own pace.
- The main goal is for you to learn something and to walk away more accomplished!
