

**Pinellas Education
Foundation**

4 STEPS TO BECOME A TSIC MENTOR:

1. Take Stock in Children is a statewide program supported by the State of Florida's Department of Education. As a statewide program, a new mentor must complete the Take Stock in Children State Mentor Application.

Click on [Pinellas Education](#) "**Mentor Application**" under the Mentor section or use the QR code → →

TSIC Mentor Application

2. Once your TSIC mentor application is received, you will be sent an email with a link to the TSIC required mentor training video. Please follow the 2-step directions provided in the email to view the video.

3. The next step is to get set up as a volunteer in the Pinellas County School system. If you are not currently registered as a volunteer with Pinellas County Schools, you must complete the mandatory registration form at this link or use QR code <https://asd.pcsb.org/schoolwiresforms/volunteer>. → →

Be sure to check the box for **Take Stock in Children**. If you wish to volunteer for virtual mentoring, just select any school listed on the form for now and then let us know you will be volunteering virtually instead of in-person mentoring at a school.

PCS Volunteer Application

4. Once you are approved as a register volunteer (you will receive an email from the PCSB district office that you have been approved), then sign up for a free mentor workshop. Pinellas County school requires all potential mentors to complete an in- person or virtual mentor training.

You may sign up using this link or use the QR code → →
