Sensory Island for Parents
2023-2024 School Year Offerings

COURSE INFORMATION

These sessions are intended for Parents/Guardians/Caregivers. This training is designed to be a tool to help parents, professionals and children understand the sensory systems and how to manage hyperactivity or hyposensitivity to a certain point. The training focuses on the child as a whole person as we explore sensory issues, sensory modulation, emotional modulation, and the relationship between the sensory and emotional systems and behavior.

Prior to the session, the Zoom meeting link will be sent to those who register.
