Appointments for Students (Doctor)
Students will be excused during school hours for verified medical/family purposes. Students must be signed out by an individual listed by the parent/guardian on the registration card. Photo identification will be required to remove a student.

NOTE: Parents are encouraged to avoid scheduling appointments for their child when school is in session. Missing instructional time impacts students’ success.

Excusal notes can be emailed through the Bear Creek website: http://www.pcsb.org/bearcreek-es. Click on the Report Student Absence button in the top right corner of the web page.

Agenda Books
Agenda books are used school-wide. These books provide a way for your child to stay organized as well as an excellent method of communication between school and home. First agenda book is free. *Replacement books are available in the front office and cost $5.00 each.

Attendance/Tardiness
Absences/Tardies are recorded daily. Extended absences may require a medical statement or prior conference with the principal. A note or phone call explaining an absence from school is expected.

A parent or guardian is contacted by school officials when an elementary student has had three unexcused absences. If excessive absences continue, the Office of the State Attorney will be notified, and that office will work with the family and school staff to resolve the problem. The Truancy Intervention Program is then initiated.

Students arriving after 8:45 AM will need to report to the front office to obtain a tardy pass to class. Chronic tardiness is reported to the school social worker for investigation.

It is important that all students attend school regularly, arriving and leaving on time. Bear Creek has bell-to-bell instruction, and missing class time means missing instructional time. We want your child to be successful, but in order for that to happen, they have to be here at school learning. Families should try to avoid scheduling vacations when school is in session.

Before/After School Care
YMCA offers their prime-time program on our school grounds from 6:30AM until 6:00PM. For more information, call YMCA 895-9622. Please consider enrolling your child in the YMCA if you must drop off before 8:15 AM or pick up later than 2:55 PM.

Birthday Celebrations
Classroom birthday celebrations will not be permitted for grades K-5. If you have any questions or concerns, please feel free to speak with administration.

Breakfast/Lunch
Bear Creek has a universal breakfast, lunch and dinner program, which is free to all students. However, please go to www.myschoolapps.com to fill out the free lunch application for summer programs. Monthly lunch menus are located on the Pinellas County Schools home page. Pinellas County School meal programs allow substitutions on a case-by-case basis for the basic meal requirements if a child is unable to consume the required food because of medical or other special dietary needs. All exceptions must be supported by a statement from a recognized medical authority that includes recommended substitute foods. The statement will be maintained on file at the school.
Bicycles/Scooters/Skateboards/Backpacks
School safety patrols caution and assist bike riders and walkers across street crossings. Bicycles are locked to prevent theft and bike helmets are mandatory. Students will walk bicycles on sidewalks and on school grounds to and from the bike compound. **Scooters and skateboards are not allowed. Rolling backpacks are NOT permitted.**

Bus Transportation
Bus Transportation is available for students living two or more miles from school. Each transported student will receive a set of rules that must be signed and returned to school. Bus safety requires rules be followed to prevent accidents. The bus driver is responsible for the safety and conduct of students riding the bus to and from school. Students should obey the driver at all times. Any student who persists in disorderly conduct on a school bus shall be reported to the principal and may be suspended from riding the bus. Students should know the arrival time of the bus and be ready. Drivers will make every attempt to be on time. **Parents are responsible for the supervision of their children 30 minutes prior to bus pick-up.**

Permission for a student to ride a bus other than the one assigned or to get off at a stop other than the one assigned will not be approved. A written parental request for a bus change must be presented to the office prior to bus pick-up. The telephone number for Transportation is 587-2020. Please have your child’s route number available for faster service if you need to contact Transportation.

Car Riders
**PLEASE** use our designated car circle located at 3rd Avenue South to drop off and pick up your child each day. Cars should enter our car circle by making a right turn from 61st Street. **DO NOT** park along 61st Street or 3rd Ave South, and **DO NOT** use 5th Ave South or the parking lot for drop off or pickup. Our students’ safety is our top priority and we need your help in providing this safe environment during arrival and dismissal.

Students must be picked up on time at the car circle. Students not picked up will be brought to the office and will have to be signed out. Students who are chronically being picked up late will be reported to the school social worker. Students left at school longer than 30 minutes past dismissal, may be reported to the school resource officer. If you cannot pick up your student by 2:55 PM you should consider enrollment in the YMCA.

Cafeteria Expectations
Cafeteria and school staff will assume responsibility for supervision of students during lunch periods. The expectations listed below help make the lunch period pleasant, relaxed and safe.

Students will be required to follow the posted rules in the cafeteria.
1. Stay seated
2. Face your food
3. Raise your hand for help
4. Use level 2 voices

Cell Phones
Cell phones are **not** allowed to be visible or used during school hours on an elementary campus. Parents must receive permission from the principal if their child carries a cell phone on campus.

Change of Address/Telephone
*Parents MUST report any change of address or telephone number to the office within five days. All parents must have two working telephone numbers where they can be reached during the school day.*

Conferences
Please contact the teacher via the agenda, email, or phone to schedule a conference. Cooperation from both parents and teachers is necessary for conferences to be an effective means of communication.

Discipline
Discipline guidelines are fully explained in the Code of Student Conduct, which is sent home with all students on the first day of school. The School Board has adopted a policy that requires mandatory expulsion for any student who brings a gun or other weapon to school. Toy guns are also prohibited and may be dealt with as serious misconduct leading to a suspension from school. Acceptable and appropriate behavior is expected at all times.

All teachers develop and publish a classroom discipline plan with their students and make it available to parents. Discipline plans will reflect the school’s mission statement, goals and rules, which are posted in the classroom. The following steps may be followed before a student is sent to the office:
- Time-out in classroom
- Time-out in another classroom
- Action Plan
- Contact Parent
- Child may be immediately sent to office if serious disruption occurs
All students are expected to follow the

Field trips are an extension of classroom learning. The goal is for every student to participate. However, if a student displays repeated poor behavior choices at school, the parent of the student will be asked to accompany the student on the trip.

First Aid/Medication
School employees seek to prevent accidents. If a minor accident occurs, the staff will administer first aid. In case of serious accidents, parents are telephoned and EMS is called. It is very important that phone numbers on file stay updated for this reason.

Teacher Assignments/Request
Parent requests for specific teachers will not be honored unless there are extenuating circumstances as determined by the principal.

Trespassing
Students are not permitted on school grounds after school hours or on weekends. The school will not be responsible for students who are on school property without permission. If this becomes a problem, you will be contacted by local authorities. Security checks of the campus are made nightly and on weekends.

Volunteers (Business-Community-Parental)
It would be very difficult for Bear Creek to operate without help from our volunteers. Tutors and mentors are critical to highest student achievement at Bear Creek. All volunteers should record their volunteer hours during the year on the computer located in the main office. **All persons who volunteer on campus, including field trip drivers, must be pre-approved by Pinellas County Schools.** It can take up to two weeks for clearance, so please return paperwork as soon as possible.

Once Bear Creek is officially notified of a withdrawal or transfer, we follow a checkout procedure, which includes checking library and textbook records, as well as completing reports. School records will be sent to the next school once the student is enrolled.
