Dear Parent or Guardian:

Pinellas County School is pleased to offer mentoring for all students. Research has shown that mentoring can benefit your child by having an improved attitude about school, improved behavior, and enhanced self-esteem and self-confidence. Our lunchtime mentor program called **Lunch Pals** allows children to meet with a trained mentor for 30 minutes once a week or once every other week during their lunch in a designated supervised area. Your child will bring his/her regular lunch to Lunch Pals.

If you would like to request that your child participate in the Lunch Pals program, please complete and return the form to your child's school's front office. For more information on the Lunch Pals program, please visit www.lunchpals.org or contact Belcher Elementary School's Family & Community Liaison at (727) 538-7437 ext. 2001 or email lamontj@pcsb.org. Thank you.
