

FREE VIRTUAL SAT MATH PREP

YOU'RE INVITED TO FREE VIRTUAL SAT MATH PREP SESSION

Sessions will be led by trained math professionals.

Students will:

- ✓ Learn effective test-taking strategies
- ✓ Practice with real SAT-style math questions
- ✓ Build confidence before test day

DATES & TIMES

9:00 AM – 11:00 AM

- Saturday, September 13th, 2025

Location: Virtual--Link will be provided prior to the start of the session

HOW TO PREPARE

- ✓ Make sure laptop is fully charged with a stable internet connection
- ✓ Find a quiet space to focus during the session
- ✓ Come ready to focus, practice, and ask questions!

WHO CAN ATTEND?

Open to 12th grade students

WHY THE SAT MATTERS

- Many colleges and universities use SAT scores in admissions decisions
- Strong SAT scores can help students qualify for scholarships and merit-based aid.
- SAT practice strengthens skills that support success in college-level coursework
- For Florida students, SAT scores may also help satisfy graduation assessment requirements.
